

Autumn/Winter Training Dates

I have posted Sign Up Sheets on the Club Notice board for possible Training Dates for Autumn Winter.

These are

October 10 th	Open Water Training at Capernwray
November 13 th	O2 Course at New Earswick Sports and Social Club
November 28 th	Open Water Training at Capernwray
December 12 th	Open Water Training at Capernwray

I hope having a selection of dates publicised well in advance will give everyone the opportunity to progress.

All training will naturally be subject to the availability of willing instructors who I would also ask to sign the sheet if you are available and indicate in the Comments column if you are prepared to instruct.

All members are encouraged to come along even if you do not require specific training - skills practice and a fun day out with the club are also available :-)

Entry costs for Capernwray can be verified on the website www.dive-site.co.uk

O2 Course/Night Out 13th November

Its become a bit of a tradition to go out for a curry after the O2 course – this is open to all club members, and family and friends. Nearer the time I'll be asking for numbers so I can book an appropriate venue – just make a note of the date for now!
